WE DO NOT SPEAK OF QUALITY, WE ACHIEVE IT!

Vanzeel Office Furniture has a large manufacturing base which include in-house design, logistics network and an after-sales service department. Our factory covers an area of 50,000m², more than 300 employees and almost 20 engineers and designers. We own the most advanced automatic sheet-metal manufacture process and, with our advanced metal surface pre-treatments and static powder paint technology we provide products with a strong resistance to corrosion. Our panel bender machines are imported from Italy to ensure we have the best quality to produce the best quality. CNC punching, bending, laser cutting machine etc are constantly maintained and checked for accuracy.

The product quality has passed ISO9001:2008 international quality management system certification and ISO 114001:2004 environment management system certification. It also passed the GB/T2009-2001 occupational and safety management system certification in 2009. Strict management and advanced equipment will ensure you get the highest quality on offer.

Our products are exported to Europe, America, Southeast Asia, Oceania, Africa, etc... We have a good reputation both in the domestic and overseas markets

Our design team can help you produce your own style of furniture to your exacting specifications.

We strive to supply you with furniture solution of the highest quality.
